

Cottonwood Ladies Golf Association Board Meeting

Date: November 6th, 2025

Location: Phoenix Room

Elected Officers Present: Kathy Langston, Deb Bohac, Sue Kish, Deb Walsh

Appointed Board Members Present: Tara Bradford, Mikki Rydell, Joanne Rumpler, Mary Ann Lofquist, Nancy Mastalski, Alice Barber, Cindy Edwards, Mo England, Lisa Mohoric

Guests Present: Travis Butler

The president, Kathy Langston, called the meeting to order at 2:27 pm

Old Business

Approval of minute: Deb Bohac moved to approve the October Board Meeting Minutes posted on the website. Mikki Rydell seconded and the motion passed.

Changes in bank accounts: Information is being gathered as to the bank fees our current bank charges as well as the banks requirements when we have a change in our board positions. Kathy Langston shared that she had talked with First Credit Union and that as long as we have a \$1500 balance in our account that they do not charge any check fees. The process also does not require past and new members all physically present when changing names on our account. Sue Kish is still comparing financial institutions and will provide more information and a recommendation at a future meeting.

New Business

Vanity URL: Sandy Eeds informed Deb Walsh that we have a vanity URL, CLGA.WEBSITE, that we pay \$30.17 annually to have. The renew date is 1/14/2026 and we have told Sandy Eeds that she does not need to renew the domain and can turn off the autorenewal. Kathy Langston spoke with Eric at AGA about this and he did not see a reason we would need to keep it and that this is not associated with AGA. After a brief discussion, Sue made a motion to cease the autorenewal and payment of the CLGA.WEBSITE at this time and Tara Bradford seconded. Motion was passed.

Luncheons, patio parties, bylaws: Deb Bohac reported the luncheon went well and that we had 60 members served and an additional lunch went to Travis from the pro shop. We discussed and affirmed that we will invite and provide lunch to Jon and Travis from the pro shop at each of our luncheons. Deb also mentioned that there is a change in who is in charge of the luncheons at the restaurant and that we will now be working with Colin. For the Ryder Cup patio party, Deb plans to provide roll up sandwiches, chips, beer, wine, soda and water. Deb asked if we can provide her an approximate head count for the patio party. For the Santa Scramble, Deb Bohac shared that Ruby Meyer will help with the event, yet no longer wants to chair. Ruby would like to be able to golf in the event. Pat Shouse volunteered to help Deb Bohac with the Santa Scramble. Deb Bohac will provide Deb Walsh with information so a flier can be made. Deb Bohac will make sure the bylaw change passed today is updated in the bylaws.

Communications update: Deb Walsh just reminded those present that if they desired anything communicated to the membership to ensure they send it to her by Friday each week. This will allow Deb Walsh to organize and place the information in the appropriate edition of the weekly Birdie Blast, flier or special email communications based on timing, necessity and who needs to receive the information. Mary Ann Lofquist asked if there is a way to see who signed up to play each week and/or attend luncheons. The request came as this was a prior practice and it helped a member look at the information to verify they had signed up. It was discussed for golf that the pro shop handles this and if there are questions, members should reach out directly to the pro shop. As for luncheons, Tara Bradford mentioned the sheet does still go to the treasurer and person in charge of luncheons, yet otherwise it is private due to privacy of information concerns. Sue Kish indicated she would welcome members to contact her if they are not sure if they signed up and/or paid for an event. We will communicate to our membership on bottom of flyers that if a person questioned if they signed up, they need to call the pro shop for golf and Sue Kish regarding the luncheon.

Treasurer's report: Sue Kish informed that we have 79 members, 6 new, 4 handicap only, 53 ringers and 37 CAGD paid for a balance of \$13,547.64 in our account as of the end of October.

Pro Shop: Travis wanted us to communicate to our membership that the tee sheets he sends out on Wednesday are not final as we have members who either cancel or opt in which requires Travis to make changes. Final tee sheets are the ones Travis provides us on Thursday morning when we check in. Travis is off Fridays and Saturdays.

Membership Chair: Tara Bradford has received positive feedback from new members on their experiences. Ambassadors will be paired up to play with their new member in the Ryder Cup to continue ensuring our new members are orientated and get off to a great start in our league. The membership directory on the website is updated with our new members. Name and bag tags have been ordered for our new members. Mo England is stepping away from her membership role/responsibilities.

AGA Representative: Nancy Mastalski reported that CLGA has an approved budget item for the entry fee of \$250 for the two-person team representing CLGA to play in the January 9 and 10th State Medallion Tournament. The winners were announced at the general meeting earlier today and their registration and tournament entry fee payment will be completed in the near future. We will also send communication to individuals that have not yet renewed that there is a Bylaws deadline to sign up by December 1st to stay on our roster. Ringers Chair Nadine Sanders needs the spreadsheet of who has signed up and paid for ringers for the 2025-26 season. Sue Kish will provide this to Nadine. Nancy Mastalski has also agreed to research and begin to contact potential CLGA sponsors that will be willing to fund aspects of our league events. Suggestions included finding sponsors to potentially donate hats, tee shirts, or fund various event costs. We will offer to acknowledge their support and place their name on our website and signage as we move forward with this.

Golf Committee Chair: Cindy Edwards reported that the golf committee met yesterday and at the meeting it was shared that the golf course needs 8-11 weeks from the time grass emerges until enough growth occurs for carts to be able to drive on the course. The potential date for cart path only to end is around Thanksgiving. There may be restrictions placed on larger sized golf carts and those with wheel variances. New members were voted in for positions on the golf committee with President Kevin Galespie, Secretary Penny Hargrove, Vice Chair Cindy Edwards. Cindy reported that there will be pink cup liners in all holes at both courses on lady league days. As of right now, membership is slightly down from last year. General Manager Andy Andrews is working on obtaining a permit for the pro shop to sell single serving beer and wine. Our committee asked Cindy to thank the ground crew for their outstanding work on the course. Also asked that Cindy ask/encourage the golf committee to work towards having monies from the Celebration of Golf Event go towards golf.

Tournament Chair: Mikki Rydell plans to add games through the month of May per the request at our general meeting. Sue indicated there is money in the budget to provide payouts.

Rules Chair: Mo England reported she has provided videos to post on the website in the rules section. We are to encourage members to check out the videos as they are high quality and informative.

Handicap Chair: no report.

CAGD: Lisa Mohoric reported that there will be no CAGD in November.

Meeting adjourned at 3:25 pm

**Respectfully submitted,
Debra Walsh, Secretary**
