

## **IT'S A HORSE RACE!!**

No, it's not the race with the little stick horses and a roll of the dice! It's a partners golf game that includes teamwork, luck, and can be a pretty rowdy good time!

This is the first year we are doing this at our Member/Guest. **It is free, totally voluntary** and will be held during the cocktail party.

### **If you're not familiar with the Horse Race, here's how it works:**

- \*Each member and her guest are a two-person team.
- \*Groups of teams will be formed. There are usually twelve to fifteen teams in a group led by a group leader, often a pro.
- \*Each team must provide one ball, which will be given a number.
- \***If at any point in the game you lose your ball, you are eliminated!**
- \*The leader decides whether the members or guests will tee off on any given hole. Generally, on the first hole members tee off. On the next hole, guests tee off. This continues throughout the race.
- \*After the tee shot, members and guests alternate shots until all are on the green.
- \*Once on the green, balls stay where they land and are not marked. Putting continues as alternate shots from closest to the pin out to farthest.
- \*Each team reports their score to the group leader.
- \*After the first two holes, eliminations are made based on scores.
- \*This continues until there is only one team left in the group.
- \*If there is more than one group, the winners play each other until there is only one left.

It is **NOT** expected that there be quiet during this game! Often there are spectators who follow in their carts - even spouses have been known to show up! Often those who are eliminated follow the field. Grab a drink at the party first! Cheering, clapping, and general raucousness is encouraged! We hope that many of you and your guests will join the fun!!

**You must indicate on the Member/Guest registration form that you wish to participate in the Horse Race.**

**CASH PRIZE FOR THE WINNING TEAM!!**
